MANJAT FARMING INVESTMENT MODEL

Simple, Secure & Profitable

Our Agro investment opportunity is designed for individuals who want to earn from agriculture without doing the farming themselves.

HOW IT WORKS

You Invest, We Farm

As an investor, you subscribe to one of our farm projects. Once you come on board, our experienced team handles the entire farming process from land preparation, planting, crop management, to harvesting.

PROFESSIONAL FARM MANAGEMENT

We operate with best agricultural practices, modern techniques, and constant farm supervision to ensure healthy yield and reduced risk throughout the 12-month farm cycle.

HARVEST & GUARANTEED MARKET

Beyond farming, we already have an established buyers within and outside the Nigerian market.

After farming and harvest process, farm produces are sold at a pre-agreed flat market rate, ensuring:

- Fast sales
- Stable pricing
- No post-harvest losses

PROFIT SHARING THAT WORK FOR YOU

At the end of the 12-month farm season:

- 40% ROI is paid to the investor
- The company earns from operations and scale
- Everyone wins transparently and sustainably

This is an opportunity to build wealth, support local food production, and participate in a system designed for growth, impact, and sustainability
